The Tipsy Grape

MOBILE BARTENDING AND BEVERAGE SERVICES

Presented by:

The Grapevine Greek & Italian Restaurant

Grapevine's Tipsy Grape provides professional bartenders and full bar packages for weddings, birthdays, rehearsal dinners, anniversaries, home parties, corporate happy hour events and company picnics. Our services include wine, beer, and liquor at various price levels.

Save money by purchasing one of our bar packages. Packages are fully customizable with various beverage options available.

Save stress and time by letting us do the shopping and set up so you could fully enjoy your event hassle free knowing you're in good hands. Fully licensed and insured. No need to obtain a separate alcohol license for your venue as we hold a statewide liquor license.

We require that the venue supply basic electic plug ins. We also need access to the venue 1 to 1.5 hours before event start time to allow for set up.

Zero Tolerance Drug Policy:
Tipsy Grape has zero tolerance towards the use of illegal drugs at events. Where the use or effects of illegal drugs are either witnessed / /suspected by staff or reported by guests, we will take action to terminate the service at the event asap.

BAR SET UP & REQUIREMENTS

Safety & Security:
Tipsy Grape will adhere to all Virginia ABC laws including asking for proper identification, not serving a visibly intoxicated person, only serving invited guests, not allowing alcoholic beverages to be brought in or served by anyone other than our staff.

Tipsy Grape reserves the right to terminate service at the cost of the client where it is deemed that a location or environment is or becomes unsafe, dangerous, or illegal to continue operating in. The client will be notified and provided an opportunity to either rectify or remove the threat before a final decision is made to terminate service by the onsite staff of Tipsy Grape.

By default, we do not remove rubbish from the event site and will need to somewhere to dispose of it accordingly.

I have read, understand, and agree with bar set up and requirements
